

Take the 31 Day Challenge!

“Taste and See”

WHY?

Taste and see that the Lord is good. (Psalm 34:8)

Be still and know that I am God. (Psalm 46:10)

But seek first the kingdom of God and His righteousness, and all these things shall be added to you. (Matthew 6:33)

THE BENEFITS:

This challenge is designed to build a habit into your life that will greatly enhance and develop your walk with God. As a Christian, you will need to seek God first every day of your life. By doing this, you will . . .

1. Develop a close personal relationship with God.
2. Train your mind to think thoughts of God and His ways.
3. Allow God to teach you about Himself and yourself.
4. Allow God to lead you through each day of your life.
5. Discipline yourself to grow consistently into the full maturity God has for you.

THE CHALLENGE:

The best investment you could ever make, with the most profitable returns, will be the time you take each day to be alone and communicate with your God. This time each day will not only give you a heavenly outlook on each day, but on your entire life and those people and circumstances around you.

You must work at having a consistent time alone with God each day. It will not just happen. You must set the priority and let everything else revolve around that time with God. Satan can paralyze a Christian by making some "good excuses" for not communicating with your God. Decide today and now to build this habit into your life and protect it, for herein lies the secret to your own daily walk with God.
